RADIATION PERCEPTION SURVEY TO STUDENTS AND TEACHERS IN NCR

Attached is Regional Letter No. 098, s 2020 dated October 15, 2020 re: conduct of Radiation Perception Survey of the Philippine Nuclear Research Institute to the secondary students and teachers in NCR who were beneficiaries of the activities under the IAEA Technical Cooperation Project RAS 0079 “Educating Secondary Students and Science Teachers on Nuclear Science and Technology”, content of which is self-explanatory, for information and appropriate action.

Immediate and wide dissemination of this Memorandum is desired.

SHERYLL T. GYOLA
Asst. Schools Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent
To: Schools Division Superintendents

Dear Sirs/Madames:

Attached is the letter of Dr. Carlo A. Arcilla, Director of the Philippine Nuclear Research Institute, Department of Science and Technology, relative to the conduct of the radiation perception survey to students and teachers in the National Capital Region who were beneficiaries of the activities under the International Atomic Energy Agency technical cooperation project RAS 0079 "Educating Secondary Students and Science Teachers on Nuclear Science and Technology".

The purpose of the survey are as follows:

a. Gather information about teachers on the content covered and time allotted for some key parts of the teachers' lecture integrating nuclear science concepts as well as their perception about radiation in general.

b. Collect information about students on the content covered in the lecture/class they attended as well as their perception about radiation in general.

Kindly access the survey forms on these links:
For teachers - https://form.jotform.com/201079117186050
For students - https://form.jotform.com/201272917207451

For any queries or clarifications, you may contact Ms. Jasmine Angelie V. Albelda, Ph.D., National Program Coordinator, RAS0079, Nuclear Training Center, PNRI at email add.: jaivalbellda@pnri.dost.gov.ph and telephone nos. 9296011-19 local 236.

Your assistance is very much appreciated.

Department of Education, NCR
Misamis St., Bago Bantay, Quezon City

SUBJECT: **Conduct of Radiation Perception Survey to Students and Teachers in NCR**

Dear Dr. Garma:

This is to request for your kind support to the conduct of the radiation perception survey to students and teachers in the National Capital region who were beneficiaries of the activities under the IAEA technical cooperation project RAS 0079 "Educating Secondary Students and Science Teachers on Nuclear Science and Technology". The purpose of this survey is twofold:

a. For teachers – it is to gather information about the content covered and time allotted for some key parts of the teachers' lecture integrating nuclear science concepts as well as their perception about radiation in general.

b. For students – it is to gather information about the content covered in the lecture/class they attended as well as their perception about radiation in general.

No personal information will be collected and responses will be treated with utmost confidentiality. Findings will not be linked directly to each participant and will only be used for research purposes to measure the impact and improve the present efforts of our local nuclear science and technology education program.

The survey forms can be accessed on these links:

- For teachers - [https://form.jotform.com/201079117186050](https://form.jotform.com/201079117186050)
- For students - [https://form.jotform.com/201272917207451](https://form.jotform.com/201272917207451)

Should you have any questions or clarifications regarding this survey you may contact
Jasmine Angelie V. Albedo, Ph.D.
National Program Coordinator, RAS0079
Nuclear Training Center, PNRI
929 6011 – 19 local 236
javalebda@pnri.dost.gov.ph.

Thank you very much in anticipation of your positive response on this request and for your continued support to the education and outreach programs of PNRI.

Very truly yours,

CARLO A. ARCILLA, Ph.D.
Director
