Dr. Wilfredo E. Cabral  
Regional Director, National Capital Region  
Department of Education  
Misamis St. Sitio Bago Bantay, Brgy. Pagasa, Quezon City

Dear Dr. Cabral,

Good day!

The Hong Kong International Science Olympiad (HKISO) Philippine Region supports the thrusts of the Department of Education in promoting excellence in mathematics and science education among the Filipino youths in both public and private schools from Kindergarten to Grade 12. Our projects and programs have been aligned to the goals of the department dreaming that every Filipino will be proficient in mathematics and science in the K to 12 program.

HKISO Philippines aim to:

✓ stimulate and foster young people’s interest in learning mathematics and science;
✓ strengthen the ability of their creative thinking and
✓ widen their international perspective, and promote the development of kindergarten, primary and secondary education and exchange of educational cultures throughout countries;

In view thereof, HKISO on its 1st year, the Philippine Region organizers are requesting your good office for your assistance to disseminate the information and extend our invitation to all NCR schools so that our beloved country can be represented by the best and finest Filipino science wizards in the HKISO Heat Round on October 20, 2019 at UP Diliman, School of Statistics. The competition is open to students from Grade 2 to Grade 12.

In this year’s HKISO Heat Round, the organizers will:

✓ recognize all participating students with Gold, Silver, Bronze Medals, Merit Award and Certificate of Participation;

All Heat Round awards will be given out during the National Awarding Ceremony on January 12, 2020.

For queries and assistance on the details of the competition, you can contact: UP DOST Scholars’ Association point person Jocam Camara through email at updostsa.hkiso@gmail.com or through phone at 09178092895.

We look forward on your generous support and hope our invitation will be extended to all NCR schools.

Thank you very much.

Very truly yours,
