Reliving the True Spirit of Youth Volunteerism at the Present Time.

PRACTICAL GUIDE

Section 1: RATIONALE

The Red Cross Youth Month is an annual celebration of Philippine Red Cross under the Red Cross Youth Department every October of the year. This is the special time to make the public more aware of the Red Cross Youth programs and activities at the National Headquarters and in the Chapters. This month-long celebration is mainly designed to intensify promotion of the RCY programs through the trimeida with the active participation of the Red Cross Youth Star Volunteers and motivate more and more young people to join the Red Cross Youth organization. As designated also on the Ten Most Outstanding Red Cross Youth members from the chapters who excel in leadership and other fields of humanitarian services.

Section 2: THEME EXPLANATION

Red Cross Youth Marikina chapter-wide theme: “Generation V: Reliving the True Spirit of Youth Volunteerism at the Present Time”. It came up from the idea of generation breakdown that exhibit similar characteristics, preferences, and values over their lifetimes. Based on Strauss–Howe generational theory, generation breakdown comprises; first, the Lost Generation, is a term to describe those who fought in World War I. Members were typically born between 1883 and 1900. Second, the Greatest Generation, are those veterans who fought in World War II. They were born from around 1901 to 1927. Third, the Silent Generation, were born from approximately 1925 to 1942, most of those who fought the Korean War and many during the Vietnam War. Fourth, the Baby Boomers, are the generation typically born from 1946 to 1964; also, who increased birth rates during the post-World War II.

Fifth, the Generation X; birth years ranging from the early-to-mid 1960s and ending birth years in the early 1980s. Sixth, Millennials; also known as Generation Y which born in the early 1980s as starting birth years and the mid-1990s to early 2000s as ending birth years. Lastly, Generation Z is the cohort of people born after the Millennials which born mid-1990s to early-2000s as starting birth years.

Today, at the present generation; PRC – Marikina City Chapter Red Cross Youth would like to introduce its very own Generation V, which stands for Generation of Volunteerism. Generation V is not about age or when you were born, it is an opportunity to everyone to become a volunteer. RCY Marikina is making a generation V wherein the youth can realize the importance of volunteerism. It is a strike for youth to know their role in the community and to show to them that even a youth can contribute a lot in the society.

Present situation of youth nowadays clearly shows that they have been more focused unto what is it they can show off from themselves that will make them outstanding and noticeable amidst the other youth out there. Little did they know that this removes the essence of a sensible featured stories, resulting to out casted humanitarian acts. As one of its major objective states, it aims to achieve and
strengthen humanitarian values which talks about being selfless and unconditionally cares to the suffering humanity.

RCY Marikina merely want to highlight the true spirit of volunteerism at the present time. Thus, launching this Generation V, would awaken Youth to stand out and take their respective roles in social responsibility vested on them by the nation. Lastly, this generation Volunteerism is inspired by one of the seven fundamental principles of the International Red Cross and Red Crescent Movement; the Voluntary Service, “We work around the clock but never for personal gain”.

Section 3: OBJECTIVE

The Red Cross Youth (RCY) seeks to:

- a. Inculcation of humanitarian values;
- b. Instill the practice of healthy lifestyle;
- c. Enhance youth leadership skills through service delivery; and
- d. Advocate national / international friendship.

General:
The Red Cross Youth Month aims to intensify the youth engagement into worthwhile humanitarian activities while touching the role of youth in community capacity building and promotion of youth empowerment.

KABATAAN AT BOLUNTERISMO SA KASALUKUYANG PANAHON

Panulat ni: Aldrain Ben C. Del Euirio

Kabataan! Kabataan!
Saan matatagpuan? Saan nanahan?
Hindi matanaw sa komunidad, maraming nag-aantay na responsibilidad
Wala ang anino sa lungsod, sambayana'y hanap ang lingkod

A, kabataang nalumpo sa social media at mobile games
Kinain ng sistemang paramihan ng likes at followers
Ito ang pinili kaysa tumayo at maging kabataang nanunuyo
Binubuhay birtuwal na katayuan, pinapatay angpisikal na alab ng kamalayan

Gumising! Mamulat! Tumindig! Mangarap!
Tanggaling ang gapos ng modernong pagtanggap ng lipunan
Gumising! Mamulat! Tumindig! Mangarap!
Hikayatin ang kapwa kabataan na bolunterismo ang tangkilikin sa kasalukuyan
Gumising! Mamulat! Tumindig! Mangarap!
Maging kabataang pag-asa at sa mga batang paslityay maging huwaran
Gumising! Mamulat! Tumindig! Mangarap!
Ipamalas ang kakayahan ng murang edad na aktibo sa pakikipagtulungan

Kitilin ang makasariling hangarin, pansariling interes ay tapusin
Palitan ng pusong matulungan, handang ibang tao ang unahin
Ilagay sa isip, diwa at damdamin ang mga taong nais nating mahalin
Sa lipunan may tungkulin, kabataang bolunterismo ay alamin

Kabataan! Bolunterismo! Kabataan! Bolunterismo!
Handang maglaan ng oras, panahon, talento at taliño
Walang hinihining kapalit, salapi, papuri o pakunswelo
Hangad ay pagtulong, handang sumaklolo

Krus na pula! Armas ng kabataang makatao, krus na pula!
Laban sa makamundong impluwensya, na sina santabi ang makataong idolohiya
Krus na pula! Sandata ng kabataang anak ng bolunterismo, krus na pula!
Panangga sa konseptong walang kunsensya, hindi marunong magparaya o magpahalaga

Sa krus na pula!
Magkakaiba nang pinagmulan, kinalakihan, kinasanayan
Ngunit sama-samaang maghahawak-kamay, magkakapit-bisig, magtutulungan
Ipakikita ang lakas ng kabataan, iparirinig ang boses ng kabataan
Na mayroong iisang misyon, ang tumulong sa bayan
Ang tulungan ang sangkatauhan!
Lakas ng kabataan! Pagtulong sa bayan!
Sandata't armas na maipamamana sa susunod na kasaysayan!

Kabataang makatao!
Pundasyon ang kolektibong prinsipyo
Tunay na diwa ng kabataan sa kasalukuyang panahon ng bolunterismo
