I CAN Children’s Global Summit for 2019

Design for Change Philippines is inviting schools and student governments to participate in the Be the Change Conference on October 12, 2019 (Saturday) at St. Scholastica’s College, Manila.

This developmental program emphasizes how students take on actions for school challenges as empowered learners, and has gained initial impact in school communities, as well.

The programme aims to provide opportunities for the participants to employ experiential learning with strong emphasis on skills and values formation, sequencing, decision making and leadership development. Part of the activities to be undertaken is a chance to represent the Philippines in the international summit on November 27-30, 2019, at the Vatican, Rome.

Leah N. Bautista  
Regional Youth Formation Coordinator  
Department of Education - NCR

Dear Mrs. Leah Bautista,

Design for Change is an international movement that is changing the landscape of communities through empowering children across the globe. In the Philippines, Design for Change’s presence and impact in school communities has inspired thousands of individuals in the community.

This year, to further the impact of the organization in advancing children empowerment, we are setting up the first children-led conference in the Philippines. On October 12, 2019 (Saturday), we are celebrating the success of our children through the Be the Change Conference to be held in the St. Scholastica’s College Manila. This conference will also be the event where we will announce the official Philippine delegates who will be representing the country for the I Can Children’s Global Summit in the Vatican, Rome this coming November 27, 2019.

However, we think our efforts would go even farther with the Department of Education NCR supporting and endorsing the conference. With your office by our side at this upcoming event, we are sure to achieve our goal to serve our delegates well.

If you have any questions regarding the conference, please reach out to us at 2724980 or 09564134337 and look for Ms. Jeanny Burce. We can’t wait to hear back!

Sincerely,

Jeanny S. Burce
