Dr. Sheryll T. Gayola
Schools Division Superintendent
Department of Education-Schools Division Office
Marikina City

Dear Dr. Gayola,

The School of Science and Engineering of the Ateneo de Manila University invites you and your Mathematics teachers to the webinar series entitled Senso Eskwela Pilipinas at Iba pa: Introducing the new Mathplus Apps. The webinar is made possible through the project entitled “Technology Innovations for Mathematical Reasoning, Statistical Thinking and Assessment” supported by the Department of Science and Technology – Philippine Council for Industry, Energy, and Emerging Technology Research and Development (DOST-PCIEERD).

The two-day free webinar will showcase the web application Senso Eskwela Pilipinas (SEP) for statistical learning in Grades 1 to 11 and mobile applications on mathematical topics for Grades 1 to 10. The apps are free and run on moderate system requirements. These are also designed to be mobile ready, easy to use and appropriately designed for the particular grade level.

During the second day of the webinar, we will have the virtual Memorandum of Understanding (MOU) between Ateneo de Manila University and Dep Ed Schools Division Offices Marikina and Mandaluyong. In this connection, we would like to invite you and your witnesses Dr. Elisa O. Cerveza (Chief, Curriculum Implementation Division and OIC-Assistant Schools Division Superintendent), Dr. Elizalde Q. Cena (Chief, School Governance and Operations Division) as well as Mr. Dominador J. Villafria (Education Program Supervisor-Math) and Mr. Reinan M. Ignacio, (Partnership Focal Person).

We would be very happy if you could say a short response on behalf of SDO Marikina City after the MOU signing. We are sure all the teachers will be privileged to hear from you. The MOU symbolic signing will be in the last 30 minutes of the event on September 25, 2020.

The details to join the webinar series are given below.
Date: September 24 -25, 2020 Time: 3:00pm – 5:00pm
Zoom Registration link for the event (register each day): http://bit.ly/REG_SensoEskwela

We will coordinate with Dr. Cerveza as to how the event can be streamed to reach the teachers under SDO- Marikina and also regarding the logistics of giving the certificate of participation to the teachers. We could do a streaming via Fb link: https://www.facebook.com/admusose.

The detailed programme for the webinar series and other updates will be posted at the Mathplus Resources fb page: https://www.facebook.com/mathplusResources/ and the Ateneo School of Science and Engineering (ADMUSOSE) fb page https://www.facebook.com/admusose.
We look forward to seeing you and your colleagues in the webinar series. Thank you.

Sincerely yours,

Ma. Louise Antonette N. De Las Peñas, Ph.D.
Project Leader
Professor, Department of Mathematics
