Greetings!

We at Pinas Forward would like to offer free webinars with the topics: Digital Citizenship (Digital Mindfulness, Digital Impact, Digital Discernment and Digital Transformation), Tatak Pinuno and PF Connect; that we find helpful for the students and also the teachers in wavering through this new normal. Through these webinars, we aim to raise awareness on how different sectors such as the youth, young professionals, parents, teachers and those who belong in the LGBTQ community can become leaders, and proponents of Digital Bayanihan.

So, as we all stay indoors, Pinas Forward aims to provide you with webinars that will discuss the attendees’ capabilities in community engagement by learning about their leadership capabilities (Tatak Pinuno) and how they can use them either by doing nation-building/community engagement through the use of social media (Digital Citizenship) or within their actual community (PF Connect). It aims to equip them with the right mindset as well as the appreciation of their means and capabilities in order to divert their efforts for the betterment of our nation.

In line with this, we are inviting you to partner with us. Through our partnership, we will teach our youth about leadership and bayanihan online and on ground.

Kindly check which of the following activities interests you:

___ 1. Digital Citizenship (Online Forum) 6 Webinars
___ 2. Tatak Pinuno (Online Camp) 3 Webinars
